

LUNA LEARNING DAY

FAQS

What is LUNA LEARNING?

Luna Learning is the name given to the education offering Luna Park Sydney. From schools-exclusive days of operation through to a robust, curriculum-aligned education worksheets and lessons. The offering is tailored and curated for Primary and Secondary students in the subjects of Science, Business Studies, Commerce and Maths. As more resources become available, additional subjects will be included in this offering.

What are the hours of operation for Luna Park School-Exclusive days?

Luna Learning (Schools-Exclusive) operational hours are 10:00 am until 2:30 pm unless otherwise communicated or advertised. Schools may wish to arrive at 9:30 am to have dedicated teachers/caregivers collect the school's allocated wristbands from the front ticket box and distribute them to students. Students will be required to wear their wristband on their RIGHT wrist at all times to validate their presence in the Park and access rides and education areas. (Wristbands must not be too tight or too loose. If they are removed, the wristband is invalid).

How will the day look like on Luna Learning Day?

The day is designed to be self-directed, giving teachers and students the freedom to shape the experience at Luna Park Sydney as they see fit. Teachers and carers are able to help curate their day. If a school has booked in for a workshop, it is the school's responsibility to ensure that all students attend their workshops at the correct time and location.

When and where will Luna Learning Workshops take place?

Luna Learning Workshops will take place in Sonar, which is on the underground floor of Luna Lounge (The Teachers' Lounge). Students can access Sonar via the Luna Lounge inside Luna Park. Teachers will be contacted directly with their workshop timetable and associated resources.

What rides will be operating on the day?

Luna Park Sydney will operate Luna Learning days in the best interest of offering the best experience possible to all students and teachers involved. The rides available on a Luna Learning Day may vary and cannot be pre-determined as they are subject to multiple factors, including maintenance needs and weather conditions. The specific rides offered on a particular day are dependent on these factors and notice cannot be provided in advance.

Where can we have lunch?

Luna Park Sydney will open food outlets and offerings on Luna Learning Days. This means that items will be available for purchase, including but not limited to ice creams, popcorn, fairy floss, sandwiches, burgers, snacks, and assorted beverages.

Alternatively, Teachers can also choose to purchase a BBQ or Lunch pack voucher for the students when booking. The BBQ pack includes a Sausage sizzle with grilled onions on a milk
Luna Park Sydney

bun and a fruit juice box. The Lunch pack offers a Maki Sushi twin pack with options for Teriyaki chicken or Vegetarian, carrot/celery sticks with hummus and fruit juice box.

Guests are welcome to bring their own snacks, lunches, and beverages to Luna Park, however they need to carry personal items or utilise our lockers.

Students and teachers will find benches and tables throughout the Park, where they are able to sit and eat their lunch. For schools wishing to sit together, we recommend Lavender Green located behind Luna Land, at the back of the Park. We kindly ask schools not to use bags or personal belongings to reserve tables. The seating arrangements operate on a 'use as available' policy.

Is there the potential that images or videos may be taken of our school uniforms, students, or attendees on our excursion day?

Yes, for the purpose of marketing and communicating to other schools and comparable organisations, images or videos may be taken throughout the Park while your excursion is taking place. In these instances, we will ensure that individuals cannot be recognised or identified close-up. If there is a relevant opportunity for close-up images or videos to be taken, verbal consent will be sought at the time. On positive consent, should the images or videos have the potential to be used, they will be shared with the relevant school for further written approval prior to use.

OK, we are all booked! What do we do on the day?

- Travel to Luna Park Sydney – take note of opening hours for the day of your visit
- Send one nominated Teacher to the Front Ticket Box to collect tickets on a school exclusive day OR to the Annual Pass Desk if the Park is open to Guests
- Attach wristbands to ALL students and teachers, to their RIGHT wrist. Please attach not too tight, and not too loose. If wristbands are removed, they are invalid.
- Enjoy your day!!
- If there are issues on the day that you require the attention of a team member from Luna Park, please visit Guest Relations OR First Aid (both located opposite the Luna Park Sydney Ferris Wheel).
- School Bags are welcome on the day at Luna Park Sydney. We recommend on Schools Exclusive days, 1 small bag per student/teacher is allowed. Alternatively, if it's not a Schools Exclusive day, please liaise with our Luna Park team as to the estimated quantity of Bags and the potential storage location/s.

I've booked my school into a workshop. What do I do?

- Arrive at the allocated location at the allocated time. Please arrive with ALL students partaking in the workshop. It is the responsibility of the teachers to ensure that all students are present.
- Workshops are 30-40minutes duration.
- Workshop worksheets will be supplied digitally to schools before the workshop. They will not be printed by Luna Park Sydney.
- Workshops will run to agreed timelines and plans by Luna Park Sydney. While we will accommodate flexibility where we can, please appreciate that several workshops run across the days to service multiple schools and courses on any given day.
