	85-106cm																	
	106-132cm																	
	132cm+																	
ROTOR		Medium	5	General Entry		Stand Upright Unaided												Riders stand inside a rotating drum and are subjected to intense spinning and centrifugal forces causing them to stick to the drum wall while the floor drops away.
CAROUSEL		Low	3	Ride Exit		Sit Upright Unaided on Horse												This is a rotating carousel ride. Riders may be seated astride the horses which move up and down throughout the ride cycle, or within a fixed Chariot.
FERRIS WHEEL		Medium	1	Ride Exit		Sit Upright												This is a rotating Ferris Wheel ride which takes riders to a height of approximately 40 metres in the air in a seated Gondola. It will stop periodically throughout the ride cycle.
VOLARE!		Medium	29	Ride Exit		Sit Upright Unaided												This is a high speed flying swing carousel with dramatic turning and spinning at height. Guests remain seated throughout the ride cycle.
TANGO TRAIN		Mild - Medium Wild - High	3	Ride Exit		Sit Upright Unaided												This is a high speed circular motion thrill ride which travels forward and reverse. It subjects riders to dramatic acceleration, dipping and spinning forces while seated.
HAIR RAISER		High		Ride Exit		Sit Upright Unaided												This is a high speed drop tower ride which is 35 metres tall. It drops at a speed of 80km/hour. Riders are seated and secured in a harness restraint.
BIG DIPPER		High	94	General Entry		Sit Upright Unaided												This is an inline seated launch coaster which travels up to 72km/hour and loops 360 degrees multiple times throughout its course.
WILD MOUSE		High	4+	General Entry		Sit Upright Unaided												This is a high speed classic wooden rollercoaster that includes sudden and dramatic acceleration, deceleration and bumping.
DODGEM CITY		Medium	3	Ride Exit		Sit Upright Unaided												This is a dodgem car style attraction which subjects riders to sudden and dramatic acceleration, deceleration, bumping and impact with other cars.
CONEY ISLAND GENERAL		Low		Viewing Area														This is a traditional 1930's fun house attraction with Luna Park Sydney memorabilia, vintage arcade machines and general viewing area.
CONEY ISLAND SLIDES		Medium	34			Sit Upright Unaided												This is a slippery slide. Riders are seated on a hessian mat with their legs enclosed. Riders need to keep balanced and upright as they slide down.
CONEY ISLAND DEVIL'S DROP		High	48			Sit Upright Unaided												This is a thrilling 60ft slippery slide. Riders are seated on a hessian mat with their legs enclosed. Riders need to keep balanced and upright as they slide down.

This table is to be used as a guideline. Guests who have undergone recent surgery, are suffering any type of illness or injury, including heart conditions, high blood pressure, epilepsy, back, neck, other physical complaints or any other medical condition should consult their medical practitioner or specialist to obtain suitable medical advice on their specific circumstances prior to riding. Guests with accessibility requirements are invited to attend Guest Relations upon arrival at the Park where our team members will assist you with planning your visit. This is a subjective review, curated by the management team of Luna Park Sydney. We encourage all Guests to make informed decisions and manage their experience, assessing their individual needs, medical and health considerations prior to riding.
